The Bond Registrar appointed below shall make all interest payments with respect to the Bonds by check or draft mailed to the registered owners of the Bonds shown on the bond registration records maintained by the Bond Registrar at the close of business on the 15th day (whether or not on a business day) of the month next preceding the Interest Payment Date at such owners' addresses shown on such bond registration records.

In case any officer whose signature or a facsimile or whose signature shall appear on the Bonds shall cease to be an officer before delivery of the Bonds, such signature shall nevertheless be valid and sufficient for all purposes, the same as if he or she had remained in office until delivery.

B. All of the Bonds shall be registered in the name of Cede & Co., as nominee for DTC. Payment of interest on and principal of any Bond registered in the name of Cede & Co. shall be made by wire transfer or New York Clearing House or equivalent same day funds by 10:00 a.m. CT or as soon as possible thereafter following the Bond Registrar's receipt of funds from the Issuer on each Interest Payment Date to the account of Cede & Co. on each Interest Payment Date at the address indicated in or pursuant to the Representation Letter.

C. So long as DTC is the Depository or it or its nominee is the Holder of any Bonds, the Issuer shall comply with the provisions of the Representation Letter, as it may be amended or supplemented from time to time.

D. Additional matters with respect to, among other things, notices, consents and approvals by Holders and payments on the Bonds are set forth in the Representation Letter.

The Issuer shall cause to be kept at the principal corporate office of the Bond Registrar a bond register in which, subject to such reasonable regulations as the Bond Registrar may prescribe, the Issuer shall provide for the registration of the Bonds and the registration of transfers of the Bonds entitled to be registered or transferred as herein provided. In the event of the resignation or removal of the Bond Registrar or its incapability of acting as such, the bond registration records shall be maintained at the office of the successor Bond Registrar as may be appointed by the Council.

Whenever any Bonds are so surrendered for exchange, the Issuer shall execute and the Bond Registrar shall authenticate if required by this Resolution and deliver the Bonds which the registered owner making the exchange is entitled to receive.

D. All Bonds surrendered upon the exchange provided for in this Resolution shall be promptly cancelled by the Bond Registrar and thereafter disposed of as directed by the Council.

E. All Bonds issued in exchange for or upon transfer of the Bonds shall be valid obligations of the Issuer evidencing the same debt and entitled to the same benefits under this Resolution as the Bonds surrendered for such exchange or transfer.

F. Every Bond presented for a transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer, in form satisfactory to the Issuer and the Bond Registrar, duly executed by the registered owner thereof or the owner's attorney duly authorized in writing.

G. The Issuer may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with the transfer or exchange of the Bonds, other than exchange expressly provided in this Resolution to be made, without expense or without charge to the registered owner.

H. If a Bond becomes mutilated or is destroyed, stolen or lost, the Bond Registrar will deliver a new Bond of like amount, number, maturity date and tenor in exchange and substitution for and upon cancellation of the mutilated Bond or in lieu of and in substitution for any Bond destroyed, stolen or lost, upon the payment of the reasonable expenses and charges of the Bond Registrar and the Issuer in connection therewith, including the cost of printing new Bonds; and, in the case of a Bond destroyed, stolen or lost, upon filing with the Bond Registrar and the Issuer of evidence satisfactory to them that the Bond was destroyed, stolen or lost, and of the ownership thereof, and upon furnishing to the Bond Registrar and the Issuer of an appropriate bond or indemnity in form, substance and amount satisfactory to them and as provided by law, in which both the Issuer and the Bond Registrar must be named as obligees. Bonds so surrendered to the Bond Registrar will be canceled by the Bond Registrar and evidence of such cancellation must be given to the Issuer. If the mutilated, destroyed, stolen or lost Bond has already matured or been called for redemption in accordance with its terms, it is not necessary to issue a new Bond prior to payment.

Each Bond delivered upon transfer of or in exchange for or in lieu of any other Bond shall carry all of the rights to interest, accrued and unpaid and to accrue, which are carried by such other Bond. Each Bond shall be dated by the Bond Registrar as of the date of its authentication or manual execution, as the case may be. The Issuer and the Bond Registrar shall not be required to make any transfer or exchange of any Bonds called for redemption or to make any such exchange or transfer of the Bonds during the 15 days next preceding the date of the first publication or the mailing (if there is no publication) of notice of redemption in the case of a proposed redemption of the Bonds.

E. The total amount of the Bonds does not exceed the total cost, including expenses, to be assessed to pay for the Project. The total cost to be assessed for the Project is in excess of the stated principal amount of the Bonds and interest to be paid thereon.

4.02 Drainage System Accounts. The separate drainage system accounts for each of County Ditch No. 41 (the "Ditch No. 41 Drainage System Account"), and County Ditch No. 22 (the "Ditch No. 22 Drainage System Account"), are hereby affirmed and continued. To the aforementioned accounts must be credited with all money from the sale of the Bonds and all money received from interest, liens, assessments, and other sources for the drainage systems, as set forth below. (The Ditch No. 41 Drainage System Account and the Ditch No. 22 Drainage System Account are collectively referred to herein as the "Drainage System Accounts".)

4.03 Construction Accounts. On receipt of the purchase price of the Bonds, the County shall credit proceeds from the sale of the Bonds as follows:

A. *Ditch No. 41 Construction Account.* \$2,392,945.46 of the original principal amount of the Bonds, less the allocable pro rata portion of (i) amounts retained by the Purchaser as a discount (the "Discount"); (ii) capitalized interest funded from Bond proceeds (the "Capitalized Interest"); and (iii) amounts allocated to accrued interest paid by the Purchaser upon closing and delivery of the Bonds (the "Accrued Interest"), to a separate account which has been created in the Ditch No. 41 Drainage System Account and designated as the "2026 Ditch No. 41 Construction Account." The monies in the 2026 Ditch No. 41 Construction Account, along with other monies of the County available therefor, shall be used to pay the construction costs of the improvement of County Ditch No. 41. Other costs for which payment from the 2026 Ditch No. 41 Construction Account is authorized shall include the allocable pro rata costs of legal, financial advisory, and other professional services, printing and publication costs, and costs of issuance of the Bonds.

B. *Ditch No. 22 Construction Account.* \$600,819.32 of the original principal amount of the Bonds, less the allocable pro rata portion of (i) amounts retained by the Purchaser as a discount (the "Discount"); (ii) capitalized interest funded from Bond proceeds (the "Capitalized Interest"); and (iii) amounts allocated to accrued interest paid by the Purchaser upon closing and delivery of the Bonds (the "Accrued Interest"), to a separate account which has been created in the Ditch No. 22 Drainage System Account and designated as the "2026 Ditch No. 22 Construction Account." The monies in the 2026 Ditch No. 22 Construction Account, along with other monies of the County available therefor, shall be used to pay the construction costs of the improvement of County Ditch No. 22. Other costs for which payment from the 2026 Ditch No. 22 Construction Account is authorized shall include the allocable pro rata costs of legal, financial advisory, and other professional services, printing and publication costs, and costs of issuance of the Bonds.

4.04 Debt Service Accounts.

A. *Ditch No. 41 Debt Service Account.* A separate debt service fund is hereby created in the Ditch No. 41 Drainage System Account and is designated as the “2026 Ditch No. 41 Debt Service Account.” Special Assessments allocable to County Ditch No. 41 are pledged to the 2026 Ditch No. 41 Debt Service Account. There is appropriated to the 2026 Ditch No. 41 Debt Service Account the allocable portion of the Capitalized Interest and the Accrued Interest, if any. The money in the Ditch No. 41 Debt Service Account shall be used for no purpose other than the payment of principal and interest on the portion of the Bonds allocable to the improvement of County Ditch No. 41.

B. *Ditch No. 22 Debt Service Account.* A separate debt service fund is hereby created in the Ditch No. 22 Drainage System Account and is designated as the “2026 Ditch No. 22 Debt Service Account.” Special Assessments allocable to County Ditch No. 22 are pledged to the 2026 Ditch No. 22 Debt Service Account. There is appropriated to the 2026 Ditch No. 22 Debt Service Account the allocable portion of the Capitalized Interest and the Accrued Interest, if any. The money in the Ditch No. 22 Debt Service Account shall be used for no purpose other than the payment of principal and interest on the portion of the Bonds allocable to the improvement of County Ditch No. 22.

C. *Pro Rata Allocation.* The following amounts shall be allocated between the Debt Service Accounts on a pro rata basis: (i) the Discount; (ii) the Capitalized Interest; and (iii) the Accrued Interest.

D. *Insufficient Funds.* If any payment of principal or interest shall become due when there is not sufficient money in the Drainage System Account, the County Auditor-Treasurer shall pay the same from any other fund of the County, which fund shall be reimbursed with interest at a rate of seven percent per year for the time the money is actually needed, from Pledged Revenues when the balance in the Debt Service Account are sufficient.

4.05 Investments. If the Drainage System Account has a surplus over the amount required for payment of obligations presently due and payable from the Drainage System Account, the Board may invest any part of the surplus in bonds or certificates of indebtedness of the United States or of the State of Minnesota.

4.06 No Tax Levy. It is hereby determined that the estimated collections of Pledged Revenues and interest thereon for payment of principal and interest on the Bonds will produce at least five percent in excess of the amount needed to meet when due, the principal and interest payments on the Bonds and that no tax levy is needed at this time.

Section 5. Tax Covenants.

5.01 General. A. The County covenants and agrees with the holder of the Bonds that the County will (i) take all action on its part necessary to cause the interest on the Bonds to be exempt from federal income taxes including, without limitation, restricting, to the extent necessary, the yield on investments made with the proceeds of the Bonds and investment earnings thereon, making required payments to the federal government, if any, and maintaining books and records in a specified manner, where appropriate, and (ii) refrain from taking any action which would cause interest on the Bonds to be subject to federal income taxes, including, without limitation, refraining from spending the proceeds of the Bonds and investment earnings thereon on certain specified purposes.

5.02 Arbitrage Rebate Exception. For purposes of qualifying for the small issuer exception to the federal arbitrage rebate requirements, the County hereby finds, determines and declares that the aggregate face amount of the tax exempt obligations (other than private activity bonds) issued by the County (and all subordinate entities of the County) during the calendar year in which the Bonds are issued is not reasonably expected to exceed \$5,000,000, all within the meaning of Section 148(f)(4)(D) of the Internal Revenue Code of 1986, as amended (the “Code”).

5.03 Bank Qualification. In order to qualify the Bonds as “qualified tax-exempt obligations” within the meaning of Section 265(b)(3) of the Code, the Issuer makes the following factual statements and representations:

(i) the Bonds are not “private activity bonds” as defined in Section 141 of the Code;

(ii) the Issuer designates the Bonds as “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code;

(iii) the reasonably anticipated amount of tax-exempt obligations (other than private activity bonds, treating qualified 501(c)(3) bonds as not being private activity bonds) which will be issued by the Issuer (and all entities whose obligations will be aggregated with those of the Issuer) during the calendar year in which the Bonds is being issued will not exceed \$10,000,000; and

(iv) not more than \$10,000,000 of obligations issued by the Issuer during the calendar year in which the Bonds is being issued have been designated for purposes of Section 265(b)(3) of the Code.

Section 6. Certificate of Proceedings: Miscellaneous.

6.01 The County Auditor-Treasurer is directed to file a certified copy of this Resolution and such other information as required in her records, and to provide to Bond Counsel a certificate stating that the Bonds herein authorized have been duly entered on her register.

6.02 The officers of the Issuer are authorized and directed to prepare and furnish to the Purchaser of the Bonds and to bond counsel for the Bonds certified copies of all proceedings and records of the Issuer relating to the authorization and issuance of the Bonds and other affidavits and certificates as may reasonably be requested to show the facts relating to the legality and marketability of the Bonds as such facts appear from the official books and records of the officers’ custody or otherwise known to them. All of such certified copies, certificates and affidavits, including any heretofore furnished, constitute representations of the Issuer as to the correctness of facts recited therein and the actions stated therein to have been taken.

6.03 In the event of the absence or disability of the Chair or the County Auditor-Treasurer, such officers or members of the Issuer as in the opinion of the Issuer’s attorney may act in their behalf shall, without further act or authorization, execute and deliver the Bonds, and do all things and execute all instruments and documents required to be done or executed by such absent or disabled officers.

6.04 The Chair and Auditor-Treasurer are authorized and directed to certify that they have examined the offering materials prepared and circulated in connection with the reoffering of the Bonds by the Purchaser and that to the best of their knowledge and belief the offering materials are a complete and accurate representation of the facts and representations made therein as of the date of the offering materials.

4.5.1. PURCHASE AND OUTFITTING OF PLOW TRUCK

A new plow truck is slated for the 2027 budget. Freightliner stated they are running out of production slots for the 2026 build. Once these are filled, then they will switch to the 2027 build slots. The 2027 model will come with a 10% - 20% price increase. The current plow truck would be declared surplus and be sold at online auction.

This is a 2015 model with 245,000 miles and used as a spare. But use spare frequently because of other repairs. We still have one plow truck in for repairs. It is a 2026 with 7,000 miles that is being repaired. This repair will be covered under warranty. Murray County has (8) plow trucks including spare and (1) water truck.

A motion was made by Commissioner Zins, seconded by Commissioner Welgraven, and passed to approve the purchase of the 2026 plow truck outlined in quote Freightliner for \$169,525.00. In addition, once the new truck is received, the old one becomes surplus and sold at auction.

Commissioner Woelber stated that he understands these specific purchases make sense right now, but the board must continually think about the budget and bringing the levy down to an acceptable level. Heidi Winter provided some insight into the levy for all equipment, additional fund balances available as reserves, and the possibility of taking out some short-term capital equipment notes. The short-term notes interest outweighs the price increases we would experience. No decision needs to be made today on the notes, but she wanted to provide this option.

Another portion of this purchase is the snow equipment needed to outfit the plow truck. The installation of this snow equipment takes some length of time. It has taken up to 6 months for equipment order and installation in the past. This equipment, like the others, will increase in price when the state contract runs out at the end of the year.

A motion was made by Commissioner Woelber, seconded by Commissioner Zins, and passed to approve the purchase of the snow equipment for the 2026 truck being purchased in the previous motion as per quote from Berts Truck Equipment for \$202,998.00.

4.5.2. PURCHASE OF MOTOR GRADER WITH TRADE

A new motor grader is slated for 2027 budget. As per dealer, if we wait to order motor grader until after January 1, it takes 6 months for the motor grader to deliver. Therefore, we wouldn't have possession until July 2027. In addition, there will be at least a 5% increase in price and there would be more hours on our current motor grader, so less for trade-in as well. The current motor grader is a 2014 with 12,000 hours.

The current motor grader is in for repairs for an engine knock. We must repair the current motor grader before trade-in. Murray County currently has use of (4) graders and this is the oldest model.

A motion was made by Commissioner Zins, seconded by Commissioner Woelber, and passed to approve the purchase of the motor grader per outlined in quote from RDO Equipment for \$373,771.52 after trade-in.

4.6.1. PURCHASE NEW DASH CAMERAS

We purchased our current dash cameras 5 years ago. Due to the continued exposure to the elements, it is time to replace them as we are experiencing issues with them. They no longer make parts for these cameras and can only source parts through eBay. We will be installing one of the old cameras in our extra squad, so this unit can be used to perform transport as necessary. We can

cover the cost of the cameras and installation utilizing 2026 budget funds by moving money within the budget. We are still gathering competitive quotes from up fitters to perform the installation. It is expected to be in the \$5,000-\$7,000 range.

A motion was made by Commissioner Zins, seconded by Commissioner Welgraven, and passed to approve the purchase of (8) new Motorola M500 dash cameras for a total purchase price of \$58,612.00.

Sharon Giese added the pay at that grade is \$41.91/hr.

A motion was made by Commissioner Zins, seconded by Commissioner Carlson, to approve hiring Christina Harris as the Human Resource Manager contingent on a satisfactory background check and drug test, at a pay grade 15 step 3.

4.7.2. SHARED COUNTY HIGHWAY ENGINEER

While we continue the search to fill the County Engineer position following Randy Grove's retirement, it is recommended that we enter into a temporary shared-engineer arrangement with Pipestone County. This arrangement would help ensure that ongoing highway projects continue as scheduled and provide the necessary engineering oversight to support the smooth operation of the Highway Department.

There were six (6) applicants, four (4) of which were not from the Midwest, not realizing the location of the position. Two (2) were selected for interviews. One (1) canceled prior to interview. The one (1) interviewed was offered the position. However, the candidate chose to accept another offer due to better compensation package.

Pipestone County approved of this same agreement presented last Tuesday at their board meeting. This temporary agreement expires December 31, 2026. If needed, we may be able to extend this agreement. In the meantime, we will continue the search to fill the position.

It was moved by Commissioner Zins, and seconded by Commissioner Carlson, and passed to appoint Nick Bergman in accordance with Minn. Stat. 163.07 as Murray County's County Engineer.

4.7.3. ACCEPT DONATION — BLACK DIRT & CLAY TO COUNTY LANDFILL

Double D Gravel has offered to donate up to 10,000 yards of black dirt and clay to Murray County Landfill as part of an upcoming project they are bidding. This material will save the county money when it is required for Murray County to cover our landfill.

This donation is contingent on Double D Gravel being awarded bid and understand there no cost to the county. This material will be stored at the landfill.

It was moved by Commissioner Welgraven, seconded by Commissioner Carlson, and passed to approve the acceptance of a donation of up to 10,000 yards of black dirt and 10,000 yards of clay from Double D Gravel to the Murray County Landfill.

4.8. ACCEPT/REJECT BIDS ON FORMER MURRAY COUNTY HIGHWAY FACILITY

Bidding for the former Murray County Highway Facility ended on 07/20/2026 at 7:00 p.m. Carl Nyquist and Nathan Wurpts presented the results of the auction. The bids stopped at \$338,000.00 with two active bidders. The buyer picking up the 5% sales fee, the buyer would spend approximately \$354,900.00, if sale is approved by the Board. The Board has the option of approving or denying this bid. Name of the buyer is not disclosed until after it is accepted/declined.

If the bid is approved by the Board, the buyer has 5 business days to produce the funds. The board has the option to specify any other conditions of the sale, including possession date. A possession date of mid-September was discussed. However, the primary concern is relocation of the sheriff's secure storage area. There are options available, but Murray County Building Committee is awaiting the evaluation of facilities' usage by a consultant. A decision on the award of the bid submitted must be decided today.

Many points, thoughts, and considerations were discussed:

- Commissioner Meier reminded the board that any proceeds of this sale need to go back directly to the Highway Department.
- If we keep the former highway department building, we would need to purchase it from the highway department at a fair price for sheriff department usage.
- If we accept the bid and relocate the sheriff department's secured storage, we have a cost involved to upgrade any existing structure to accommodate secured storage.
- The county can choose to reject all bids and then re-advertise for bids. But there are no guarantees we would get higher bids.
- We know in the future our demo landfill will be closing, and we will be required to provide a transfer station. Would we want to keep a portion of the former highway property to serve this purpose?
- If we reject the bid, we then need to maintain and heat an additional building for an undetermined amount of time. We will also continue to be without any tax income from the property.
- Repurposing the Impound lot building or moving the impound lot to the Recycling Center. Then repurposing the Recycling Center for secured storage.

A motion was made by Commissioner Zins to accept the bid of \$338,000.00 for the former highway building property and deal with any upgrades required for secured storage at an existing facility later because there are numerous options. A second was presented by Commissioner Carlson for the purpose of offering more opportunities for discussion.

Commissioner Woelber also wanted to be sure that the discussion on solutions for secured storage is resolved soon and not delayed.

An amended motion was presented by Commissioner Zins to accept the bid of \$338,000.00 for the former highway building property with a buyer possession date of no later than September 15. Commissioner Carlson seconded the motion.
